

One of the goals of the Historical Committee is to connect youth to pioneers and assist them in finding a pioneer name they can take and represent on Trek. Please consider the following activities to help your youth find a pioneer name. Feel free to reach out to a member of the Historical Committee if you have any questions or would like assistance in this assignment.

Connecting Youth With Pioneers

- Download the FamilySearch Together app
- Explore your pioneer ancestors on the Together app's Activities page
- Check out [The Church History Biographical Database - Pioneers in Every Land](#)
- Choose a pioneer name you want to represent during Trek
- Read about the pioneer you will be representing and learn about their life and experiences
